## NEWS ITEMS OF INTEREST.

In a North of England town the police discovered two girls, 11 and 12, shouting and dancing amid a crowd. They had invested 75 cents, given them for some washing they had taken home, in gin.

No people devote so much print to the weather as the French. The *Journal Officiel* of Paris gives whole pages of it. The English may talk the most about it, but, undoubtedly, the French write the most about it.

An Illinois schoolmistress was unable to chastise the biggest girl pupil, and called in a young school trustee to assist her. The trustee found that the offender was his own sweetheart, but his sense of duty triumphed over his love, and he whipped the girl. Not only did this result in losing him a sweetheart but her father sued him for damages, and got a verdict for $50.

"The Claimant" is engaged on his autobiography pending his expected release. He has been offered £3,500 for the book. He has been engaged on it for the last five years. Those who have seen it say it is not a happy literary effort, and is too largely interspersed with poetic effusions of a religious character. He has lost over nine stone since the day he was sentenced.

A writer in *Temple Bar* thus describes Theophile Gautier: "Imagine to yourself a tall, massively-framed individual, who treads the asphalt with alarming composure, attired in yellow leather slippers and a black velvet waistcoat, his long hair waving down to his waist, his bare head shaded by a broad umbrella, and this at the most fashionable hour on the most fashionable promenade of Europe."

The long-expected work on divorce by M. Alexandre Dumas has appeared in Paris. Among the points on which it especially insists are the mental and moral equality, to say the least, of nations allowing divorce as compared with those refusing it, the existence of divorce for adultery among Oriental Catholics, the declining marriage and birth rate in France, and the anomalies of judicial separation.

President Taylor of the Mormon church concluded a funeral sermon over the remains of a wayward apostate as follows: "But let us return to the young man. Was he a saint? No. He was once a saint, but departed from the church. He left the faith. Did he die a saint? No; he died a drunkard, and will find a drunkard's grave. He has gone to hell, and there is where he deserved to go." The sister wept, the mother shrieked and fainted, and was afterward so ill that her life was endangered.

Edward S. May of Detroit was a juror in a case against some tobacco dealers who had defrauded the revenue. He went privately to the residence of the defendants and asked what they would give to secure a disagreement of the jury. They shrewdly told him that he must serve them without pay, or they would expose his dishonesty. He saw that they had him at a disadvantage, and obediently refused to agree with the eleven other jurors on a conviction. But his visit to the defendants came out after all, and he was fined $100.

**Stop That Cough**

With a sample bottle of Kaiser's German Elixir. This is the most wonderful cough remedy ever introduced, being mild, yet positive in its action and soothing under all circumstances. Old and young may use it with perfect security. It is rich in the medicinal properties of tar, wild cherry and horehound. Ask your druggists, Messrs. Osburn & Shoemaker, about its merits. They sell large quantities of it and say it supercedes all others. The genuine bears the Prussian coat of arms and the facsimile signature of Dr. Kaiser on the wrapper and has his name blown in the bottle. Samples 25 cent. Large 75 cent bottle. 75 cents. feb3-d&w

## THE THREATENED OUTBREAK.

Serious trouble is not unlikely to be the result of the Workingmen's agitation in San Francisco. The talk of the party leaders is daily growing more and more incendiary. This is the language of a press dispatch from San Francisco:

During the organization of a Workingmen's Military Committee last night by the Ninth Ward Club, parties inquired the best way to obtain arms and ammunition. The speakers all wanted an organized force, not a mob. Said one: "The fight may come any day, and chemistry has furnished fire-weapons that are better than firearms to remove Chinatown." L. J. Gannon was then introduced as "the great agitator," and said that Springfield rifles could be obtained for $10. The Workingmen should open a rifle fund and beg subscriptions. "Ex-Mayor Bryant and the Vigilantes are preparing for bloodshed," said Gannon. "They want to be murderers as well as thieves. We don't want any more talk, we want action now. Mark your cowards, men. Every one who sits back and refuses to sign this roll is a white-livered sneak, and you ought to spot him. I am glad you have already twenty-two soldiers. Put Springfield rifles into their hands and they will whip twice their number of hired bummers. We are treading on the edge of a volcano. I know a company that has been organized a year. The call may come to-morrow, and you have seen that gas won't do; now is the time to act."

The blood of the respectable, order loving and property holding citizens of San Francisco is being stirred by these dastardly threats. A feeling prevails among that class that, sooner or later, the miscreants who are inciting the Workingmen to arson and murder will have to be summarily dealt with. San Francisco once purged herself of cut-throats and incendiaries and she may do so again.

The *Call* of yesterday morning had the following:

"A secret meeting of citizens for the purpose of organizing a Vigilance Committee was held last night in the Palace Hotel. The avowed object of the organization is the suppression of any possible riot which might occur in connection with the labor agitation movement."

## THE NEW YORK CONVENTION.

The strongest third term card that has yet been played, was the casting of the vote of the New York Republican State Convention for Grant. Conkling ruled the Convention, as it was well known he would, and the delegates to the National Nominating Convention were instructed to vote for Grant.

One of the resolutions passed by the New York State Convention declares that the Republicans of New York State are "mindful of their great responsibility in the coming Presidential contest, and of the fact that it must be determined by the electoral vote of their State."

It is generally admitted that the winning party in the Presidential fight will be the one that can carry the State of New York. No candidate not approved by Conkling can carry that state. Conkling is for Grant, and the New York delegation will cast its whole strength for Grant in the National Convention in Chicago next June.

The influence of New York will, it is to be feared, be paramount in the convention which will nominate the Republican party's candidate for the Presidency.

## EDITORIAL NOTES.

Speaking of the proposed Bodie railroad, a writer in the Gold Hill *News* says: "The place will never be worth anything until they get a railroad to bring in the proper milling and mining machinery. They have plenty of ore, and rich ore, but it costs too much to transport heavy machinery to extract and mill it. A railroad is needed, and it is merely a matter for capitalists to consider whether they can make it pay or not. Without railroads to bring in the ponderous deep mining machinery, the Comstock would have been played out long ago."

In reference to the proceedings of the New York Republican State Convention, the N. Y. *Tribune* of yesterday said: The motion to instruct the delegation for Grant narrowly escaped the same defeat which Cameron had in the Pennsylvania Convention, when the same question was at issue. It was not more significant of the strong prejudice against a third term than was the small majority of 37 in a total of 397 votes in the New York Convention. As the case stands, New York is gained for Grant provided he remains a candidate.

A Washington dispatch says: The Grant men in Washington are cheered by the news from New York to-night. They claim that it means Grant's nomination at Chicago and that nothing can prevent it. They affirm that Illinois will follow the example of New York and Pennsylvania, which will give him 160 votes with some 35 states to hear from. They argue that the Grant boom will be above par henceforward, and that all kicking up on the part of anti-third term Republicans will be useless.

A Washington dispatch states that Senator Booth is going out to the Pacific coast in April. He has bought rails to extend the Virginia & Truckee road to Bodie and Columbia districts. If he finds the country in a settled condition and labor obtainable, he will go ahead with his enterprise. A new issue of stock has been prepared, to be sold in New York, where the transfer office is to be established.

President Hayes has transmitted to Congress a report and draft of a bill submitted by the Public Lands Commission. The President, in transmitting these documents, says: "The subject of the report and accompanying bill is of such importance that I respectfully commend it for the prompt and earnest consideration of Congress."

President Barnard of Columbia lately said: "I have no question that the time is coming, and that, relatively to the lifetime of nations, it is probably not very distant, when all our principal universities—Harvard, and Yale, and Princeton, and Columbia, and the rest—will open their lecture rooms as freely to women as to men."

Says the Albany (New York) *Times*: "Wherever Mr. Kelly may be found when election day comes, there are one hundred thousand Democrats in this State who will never again vote for Samuel J. Tilden." The *Times* thinks it impossible for Tilden to carry New York.

The St. Louis *Republican* regards the endorsement of Grant by Pennsylvania and New York as nearly assuring his success as a candidate. The Democrats have reason to congratulate themselves on the prospect. No other Republican has so vulnerable a reputation.

The California Legislature has passed bills authorizing cities and towns to remove Chinese from within their limits. A bill has been introduced in the Assembly to prohibit the marriage of first cousins.

The Philadelphia *Times*, on account of the reproduction of Bayard's secession speech in Dover in 1861, abandons him for the Presidential campaign.

Little Rhode Island is yet to be heard from on the Presidential question. The Republicans hold their State Convention on March 18.

Republican Conventions in Indiana have elected delegates to the National Convention, and nearly all of them are for Blaine.

The Republicans of Illinois are nearly equally divided between Grant and Blaine, with a probable majority for Blaine.

The Vermont Republican Convention adopted a resolution favoring George F. Edmunds for President.

## THE SUNRISE NEVER FAILED US YET.

From the New York Sun.

Upon the sadness of the sea
The sunset broods regretfully;
From the far, lonely spaces, slow
Withdraws the wistful afterglow.

So out of life the splendor dies;
So darken all the happy skies;
So gathers twilight, cold and stern;
But overhead the planets burn.

And up the east another day
Shall chase the bitter dark away.
What though our eyes with tears be wet?
The sunrise never failed us yet.

The blush of dawn may yet restore
Our light and hope and joy once more.
Sad soul, take comfort, nor forget
That sunrise never failed us yet.

## A Cure for Sleeplessness.

For sleeplessness a high London authority recommends, instead of stimulants, a breakfast cup of hot beef tea, made from half a teaspoonful of Liebig's extract. It allays brain excitement.

At Birkenhead, England, lately, a man was arrested for furiously driving a horse. It was explained in extenuation that it had become, while in the possession of a drummer of convivial habits, so addicted to strong drink—"standing on its hind legs and drinking beer like a man"—that it was hopeless to attempt to get it past old boozing haunts without putting it into a gallop. The explanation was deemed satisfactory.

John Begod is a citizen of Chicago. The Judge of one of the courts of that city looked very queerly when John answered the question: "What is your name, sir?"

## PACIFIC COAST NEWS.

Eggs are selling in Fresno at 15 cents a dozen.

J. G. James of Fresno county, has lost about 1500 head of cattle from starvation this season.

The thermometer last Thursday morning at Beckworth valley, Lassen county, registered 28° below zero.

No less than six persons have been sent to the Lunatic Asylum from Elko county in the past two months.

The snow is four feet deep on Turkey creek, Arizona, and 100 miles south, on Salt river, the barley and wheat is from eight to ten inches high.

Agriculturally speaking, southern Oregon is far behind, and her promise of harvest is not good. With regard to her mines she is away ahead, with plenty of water and prospects for a good run.

One thousand two hundred head of cattle are in the South Fork swamp, Modoc county. Should warm weather melt the frozen surface, many of them might be unable to escape.

The Lassen *Advocate* reports that Edward Harris of Bieler started for Susanville the other day, got lost in Grasshopper Valley, and spent the following night in the snow. His feet were badly frozen.

We hear, says the *Mountain Messenger*, that at Forest City the depth of snow is three feet, and about the same amount at the Mountain house, with drifts of fourteen feet. In Sierra City there is two and a half feet, and in Downieville two feet.

Judge E. Mason of Goose Lake, Oregon, informs the *Examiner* that the past season he manufactured twenty gallons of syrup from sorghum cane grown on his farm at New Pine Creek. The male deer in the station house park, at Sacramento, is rapidly acquiring the vices of his sex of the human species. He has got so that he can chew tobacco like a veteran, and will probably soon be able to swear. He is otherwise addicted to bad habits.

The Deadwood, (D. T.) vigilantes hanged "Curley" and Chas. Wood, father and son, for cattle stealing, on Belle Fourche river, on Thursday last, and pursued Gus Johnson, and "Bad-Hands" Charley into the Inyan Cara range, where they were shot for the same offense.

The tearing down of the Hillside furnace at Bristol is in progress. The stack is already leveled to the ground and blasting out the foundation has commenced. The bullion which is known to lie underneath has not as yet been reached. It is thought that some ten or twenty tons will be taken out.

George B. Hill, cashier of the Carson Savings Bank, was in Reno yesterday, summoned as a witness in a case on the calendar of the District Court. Mr. Hill was formerly a citizen of Reno. He constructed the Reno Water Co.'s works and engaged in many business enterprises while a resident here.

Although British savings banks pay high interest, each year proves that the public prefer the 3 per cent. of the government, as predicted.

### The Snow up North.

Concerning the late snow storm, the Modoc *Independent* says: The mail carrier between South Fork and Marsh's, on the Susanville route, after two or three ineffectual attempts to get through the snow over the hill, was forced to go back and carry the mail through on snow shoes. The carriers on all the routes report this last as being the worst to block up the roads and drift of any previous storm. First, stages had to be abandoned, then horses, and if snow-shoes fail the mail will not be forthcoming.

### Good Farming Prospects in Humboldt.

The *Silver State* says that reports from Paradise and Big Meadows are to the effect that more grain will be sown next spring in those valleys than ever before. It is probable that there will be plenty of water for irrigating purposes, and that the acreage of grain will be fifty per cent. more than last year. Humboldt flour is now in demand in the principal mining camps of Central Nevada, and as far east as Eureka, so that there will be a market for all the flour that can be made at the Winnemucca and Paradise mills.

### A New Paper for Carson.

E. Niles of Carson was in town yesterday. He informed a GAZETTE reporter that he is about to start a daily morning paper in that city. It will be published on a small scale, but Mr. Niles hopes to make it pay from the start, and to enlarge his sheet as its patronage increases. Mr. Niles is a clever writer, and a young man of energy and enterprise. He was formerly paymaster on the V. & T. road, and is well known to many of the citizens of Reno.

### The Club Dance.

The *Amitie* Club dance last night was the biggest and best of the season. About eighty couple were present. Dancing commenced at 9 o'clock and was kept up until 2:30 A. M., with an intermission of one hour at midnight for supper. The whole affair passed off very pleasantly. A number of Carson gentlemen were present by invitation and expressed themselves as exceedingly well pleased. The hall did not seem uncomfortably crowded at any time.

### Prospect of a Pardon for Chartz.

In conversation with a reporter last evening, Senator Doolan of Eureka expressed the opinion that Alf. Chartz would be pardoned at the next session of the Board of Pardons. The Senator thinks Chartz is a good man, and that, if liberated, he would make an excellent citizen. He states that the opinion of those who understand all the circumstances of the shooting for which Chartz is serving sentence is favorable to the prisoner.

## COVERNMENT LANDS.

**Petitions to Congress For a Reduction In Price of U. S. Lands Within Railroad Limits.**

A copy of the following circular has been received by County Recorder J. B. Williams:

STATE LAND OFFICE
CARSON, Nev., Feb. 25, 1880

For all purposes except for pre-emption claims and State land selections, the price of land within the railroad limits has been reduced to $1 25 per acre. Every person in Novada is interested in having the price reduced. It is probable that the state will receive the grant of two million of acres in lieu of the 16th and 36th sections, for school purposes; the sale of which will form a munificent school fund for our state. Of course a large portion of this grant will be located within the railroad limits; hence the importance of this reduction to the state as well as to pre-emptors.

Believing that you take an interest in the matter, I send you this petition hoping that you will obtain signatures and forward in the enclosed envelope to Hon. R. M. Daggett as soon as possible. The session of Congress is far advanced; therefore no time should be lost in forwarding the petition. Respectfully, A. J. HATCH,
State Land Register.

The following is a copy of the

PETITION

*To the Honorable the Congress of the United States:*

Your petitioners, residents of the State of Nevada, would respectfully represent that the Government lands—even numbered sections—remaining unsold, within the limits of the Central Pacific Railroad grant, in the State of Nevada, are of the character known as *Desert lands*; that cannot be cultivated, except by artificial means of irrigation, and that a large proportion of the same are unreclaimable by reason of their altitude and remoteness from springs or other natural water sources.

That with the exception of small and unimportant tracts, the best of such lands—those lying nearest to water—have been disposed of by the Government, at the double minimum price, two dollars and fifty cents per acre.

That the remaining portion of the even numbered sections within said railroad limits are, in their natural condition, only fit for grazing purposes; being in part mountainous or hilly, and mostly covered with sage brush, and produce but a limited and sparse growth of bunch grass, and requiring a large area of land to support an ordinary herd of cattle.

That on account of the difficulty and great expense attending the procuring of water for irrigating purposes, and the high price fixed ($2 50 per acre), these lands are not readily sought, or occupied by settlers.

Your petitioners would further represent that the rainfall in Nevada is less than in any other State of Territory, and that the soil of the State, from climatic causes, differs in character and quality from the rich wheat producing lands lying within the great watershed of the Mississippi, where seasonable rains induce fertility, and where the labor and expense of irrigation is unknown.

While we recognize the fact that settlers upon the fertile prairies and rich bottom lands of the Mississippi States, may, as a rule, be benefited and their lands enhanced in value, on account of their proximity to railroads, which afford a convenient means of conveying to market the vast surplusage of the harvest, we assert that the rule does not and never can be made to apply to the Desert wastes of Nevada, where cultitivable land is scarce, and where all products find a home market, and are not to any extent transported by rail to different parts of the State or out of the State; for this reason—among others—the lands lying within the Central Pacific Railroad grant are not enhanced in value on account of their nearness to, or on account of any other relation to said railroad.

Your petitioners would further represent that Desert land claims of six hundred and forty acres each, are being located upon even numbered sections within the said railroad limits at one dollar and twenty-five cents per acre, and that in our judgment the payment of two dollars and fifty cents per acre, required of pre-emption claimants, for the same land, is an unjust and unreasonable discrimination against bona fide settlers upon such lands.

Wherefore, we, your petitioners, pray that your Honorable body will enact a law, restoring such lands, for all purposes, to the minimum status and price of one dollar and twenty-five cents per acre; and your petitioners, as in duty bonnd, will ever pray, &c.

One copy of this petition has already been forwarded from Reno, with numerous signatures. Another is open for signature at the saloon of Chase & Thyes.

### New Nevada Railroads.

The Nevada Southern Railway Company was organized in Battle Mountain on Wednesday, February 25th, to build south of Austin to Grantsville, Columbus and Silver Peak, with Jas. A. Ledlie as President, Robert L. S. Hall, Treasurer, and Lyman Bridges, Chief Engineer. The Nevada Northern Railway has also organized to build a railway from Battle Mountain to Oregon and Idaho, with Robert L. S. Hall as President, and Lyman Bridges, Chief Engineer. This railway will pass through some of the richest mining districts and a good Agricultural country.

## JUTTINGS.

— The river is falling.

— The restaurants did a fine business last night.

The snow is fast disappearing from the hills.

— These still, warm days delight the Piutes.

— The new railroad car scales are now in place and ready for use.

— The County Commissioners will meet next Monday.

— Plenty of fine fresh trout in market, but none in the river here yet.

— Chatfield is reckoned a champion speller, and he means to attend the match to-night.

— White's calling at the dance last night was excellent, and the musicians did their prettiest.

— Parker, the pen dealer, is coming this way again. He was in Eureka a few days ago.

— Coroner Jones has received the full amount of the insurance on his house. He will rebuild next spring.

— The March term of the District court opens in Carson on Monday next. There are thirty cases on the calendar.

— The Reform Club has postponed the masquerade ball that was announced to come off early in March.

— The reduction in the rates of fare has led to an increase in the number of emigrants on the east-bound trains.

— The prospecet for a citizens' cemetery in Reno is good. The committee appointed for the purpose are looking for land.

— Obliged to respectfully decline "Neta's" last letter. Enough said on that topic. No more of that or the baby question, please.

— Henry Whistler of Glendale gave a party at his house last evening. Many of his Reno friends attended. Geise and Case's string band furnished music for the dancers.

— The shaft of the gravel mine near Washoe Lake is down 52 feet. The bottom is in gravel. Sinking is going forward slowly, and no gold is looked for until bed rock is reached.

— It is something of a joke on one of the best dancers in Reno that he fell down in Kimball's hall last night. His name commences with P, but it isn't Pinniger.

— The subject of Roger Johnson's address before the Reform Club tomorrow evening will be "The Days of Queen Elizabeth," one of the most interesting periods of English history.

— Over a hundred cattle stampeded from Pat Kelley's ranch the other day and started straight away for their native feeding grounds in the far north. They were driven back and soon secured.

— A number of the frolicsome young Hebrew children turned out in masquerade last evening, in celebration of the festival of "Purim." They went from house to house and made merry with all they met.

— Remember that the postponed spelling match takes place in the Methodist church this evening. Two attractive prizes are offered. Spelling matches usually afford a great deal of amusement, and the "bee" this evening ought to draw a good house.

### Reform Club Meeting.

The following is the programme for the Reform Club entertainment tomorrow evening, in the theatre, under the direction of Miss Mary Taylor:

Number 120.....Club Song
Duet..Leona Ranous and Dickey Jose
Select Reading....Miss Hattie Lewis
Song.....Julia Wintermantel
Recitation.....T. F. Laycock
Piano Solo.....Bennie Barnett
Lecture.....Roger Johnson
Duet..Jessie Finlayson, Flora McKay
Select Reading....Mrs. J. M. Huyck
Recitation.....Ada Tilton
Duet.....J. M. White, Dickey Jose
Number 43.....Club Song
Dancing as usual.

Through an oversight the name of Mr. Holesworth was omitted from the above "official" programme, which was handed in for publication. A club member, however, states that Mr. Holesworth has consented to sing tomorrow evening. He seems to be as much in demand for the club entertainments as Dickey Jose.

### Closing of the District Court.

Judge King closes his court here tomorrow night and goes to Carson to reopen court there on Monday next. The present term will be continued for this county so that the Judge may come here to try urgent cases whenever opportunity occurs next month. The next term commences here on the first Monday in April. There will then be as much business on the calendar as has been disposed of during the present term. Quite a number of cases will have to lie over.

### Sport for Wilhelmj.

The Virginia *Chronicle* says that when the great Hungarian violinist, Wilhelmj, shall have finished his engagement at Piper's Opera House, it is not unlikely that he will go to Truckee. Moody, the shrewd and humorous hotel man of that place, wants to take Wilhelmj up to Donner Lake and use him as a sort of troll for trout. Moody says that if the fish don't bite that way he'll put a grasshopper on the fiddler's j and still fish with him.

### District Court Notes.

M. T. Coats vs. his creditors—motion to vacate judgment and execution granted.

The "agreed cases," respecting the fees of several county officials, were not argued last evening. They will be heard this evening. Mann and Boardman will appear for the officials; District Attorney Bowman and Judge Comitt for the county.

### Tromlitz as a Samaritan.

The Ogden *Rustler* contains this advertisement:

Dr. Von Tromlitz has arrived, and is now at the Commercial. The doctor has the reputation of being a true Samaritan, and one who has practiced in every principal town on the Pacific coast, and given permanent relief to untold thousands by taking from them their bunions, corns, chilblains, ingrowing nails and warts, without giving pain, and by healing their sore and weak eyes.

This must be the George Tromlitz who ran (ran it down, that is) the Palace Hotel in Reno a few months ago. The *Tribune* thinks that the "Dr." is the same man that once started a hotel in Carson and bilked every body that trusted him.

### The Directors of the Nevada Central.

At the annual meeting of stockholders of the Nevada Central railway, held in Battle Mountain on Tuesday, the following-named gentlemen were elected as directors and officers to serve the ensuing year: Directors—D. B. Hatch, R. S. Walker, A. P. Stokes, A. A. Curtis, J. H. Ledlie, M. J. Farrell, A. Nicholls, R. Amerman, C. W. Hinchcliffe; President, D. B. Hatch; Vice President, R. S. Walker; Treasurer and Superintendent, R. Amerman; Secretary and Auditor, C. W. Hinchcliffe.

### Personal.

Miss Annie Dealey of Carson, is visiting relatives in Reno.

Messrs. E. J. Parkinson, P. Cavanaugh and a Mr. Allen of Carson attended the *Amitie* dance last evening.

Senator Doolin and Col. Canavan of Eureka, were in Reno last evening on their way home from the Republican State Convention.

### Card of Thanks.

My heartfelt thanks are tendered all who aided in soothing the dying moments of my brother, and to Reno Lodge of Masons for their attention during the burial services.

**A Fragrant Breath and Pearly Teeth.**

Are easily obtained by cleansing your teeth daily with that justly popular dentifrice, SOZODONT. Composed of rare antiseptic herbs, it imparts whiteness to the teeth, a delicious aroma to the breath, and preserves intact, from youth to old age, the teeth. Acidity of the stomach will destroy the strongest teeth unless its effects are counteracted with SOZODONT, and this pure tooth-wash protects the dental surfaces by removing every impurity that adheres to them. ## JEWELRY

**$75.00 worth for $15.00,**

—(AND A(—

**Solid Abyssinian Gold Watch**

**FREE! FREE!! FREE!!!**

The above offer is genuine, although at first sight you would consider it impossible. We will explain: Since we first established our business here, March 1st, 1878, we have paid particular attention to the buying of Bankrupt and Auction lots of Jewelry and Watches often buying at as low as one-tenth their value, and in no instance have we paid over one-sixth the manufacturers' price. Since starting we have always been able to dispose of these goods in Chicago and through our regular customers throughout the country at nearly regular prices, as fast as we could procure them, but owing to the large number of failures among the heaviest dealers and manufacturers throughout this and other countries during the months of June, July and August (the time when the jewelry business is stagnant), we have now on hand an immense stock of the most desirable goods we have ever handled, and which we have bought at lower prices than ever before. In order to dispose of this entire stock in the most speedy manner possible, and make room for new ones which we shall continue to buy, we have hit upon the following novel plan:

We propose to give you a list of the most desirable of these goods, giving opposite each article its regular retail value, and sell to you at the rate of Five Dollars' worth for $1. For instance, on receipt of 50 cts. we will send you, POSTPAID, any article to the value of $2 50; on receipt of $1, articles to the value of $5, and so on throughout the entire list. Below we give a list of the most valuable of these goods.

## DISSOLUTION

—OF—

## Co-Partnership.

NOTICE IS HEREBY GIVEN that the partnership heretofore existing under the name, style and firm of J. W. SHAEFFER & CO., is this day dissolved by mutual consent. The business of said firm will be hereafter conducted and carried on by JOHN W. SHAEFFER, who will receipt and liquidate any and all indebtedness due and owing by said firm.

JOHN WERNER SHAEFFER,
JULIUS KRAEMER.

*Dated, San Francisco, Dec. 29, 1879.*

In reference to the above, I desire to notifiy my customers that I shall carry on the manufacture of Cigars as formerly, on the old premises, and under the old name of J. W. SHAEFFER & Co. My aim in the future, as in the past, shall be to give each and all my patrons a fair and full equivalent for their money, only asking in return promptitude in remitting the values I have given them at the time agreed. It will be my effort to make my long experience (unexcelled as a local manufacturer) more than ever profitable to my customers, by more than usual care in the selection and treatment of the Tobacco, and in nicety of execution in manufacturing. I shall adhere strictly to the determination announced by my firm some months ago, not to employ drummers to effect sales, but rely solely on the merits of my goods, and give all the advantages of reduced expenses to my patrons in lower prices. I shall, however, visit, if possible, personally, or by my former salesman, B. F. Armstrong, all my customers during the year, to ascertain their views, and profit, if I can, by the experience they have gained in handling my goods, as to the wants of the trade and the tastes of consumers. Thanking my friends for past favors so liberally bestowed, I can say, on soliciting their continuance, that I am determined that their views and wishes shall be more freely and exactly gratified in the future. Wishing you a full share of the prosperity in business apparently promised the Coast during the coming year, I am, yours respectfully,

J. W. SHAEFFER.
